### Recommendation letter

„Montage Georgia” LTD has been the contractor of „CBD Development“ LTD from 2013 till present. During the mention period, „Montage Georgia” LTD successfully executed installation and programming works for power supply, fire-fighting, video surveillance, access and automation systems, for our project “East Point”, as a subcontractor of one of our contractors „Casa Calda“.

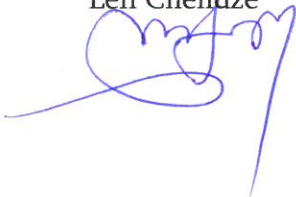

The abovementioned companies concluded the agreement with total value USD 5 743 035 (Five million, seven hundred and forty-three thousand and thirty-five USD) in 2013. Works performed by “Montage Georgia” were completed qualitatively and according the agreed date.

Our company continues to cooperate with "Montage Georgia" LTD. Currently, the mentioned company provides services for the shops in trading center, in the field of programming and installation of fire-fighting, access and other systems.

„Montage Georgia” LTD is staffed with professional specialists and experienced Management team. The company cooperates with the leading international companies in mentioned segment, such as: ABB, Schneider Electric, HP, Honeywell, Weidmuler and others. As a result, projects completed by „Montage Georgia” are always performed on high tech level.
